**PETITION FOR RECONSIDERATION AND CORRECTION OF HEARING
DESIGNATION ORDER**

In the matter of my application for a Station License in the Amateur Radio Service and for a General Class Operator license in the amateur service there are certain errors in the Hearing Designation Order, hereafter HDO, which exaggerates the criminal activity for which I was convicted and thereby make it more burdensome for me to prove rehabilitation. On the second paragraph of the HDO the Commission states in pertinent part that "since the time of his disqualifying behavior in 1982-89" with footnote (1) stating "Mr. Schoenbohm's criminal behavior occurred in 1982-89."

The charging indictment in the criminal matter specified only the first three months of 1987. I was found guilty of all three counts of an indictment under Title 18USC1029(a)(1)(2)(3). In a

post-trial proceeding a judgement of acquittal was granted as to two of the three counts, leaving only one.

In 1985 and part of 1986 I was living with my family in Newberry, Ohio, working for Pinzone Communications as their International Sales Manager. I could not have been engaged in criminal activity in the Virgin Islands during this time because I did not live there. In August of 1986 I returned to my position a Chief of Communications for the VI Department of Public Safety, a position I held till my criminal conviction in April of 1992.

Accordingly, I respectfully request that the Commission issue a brief order, correcting the HDO, to reflect that the criminal activity only occurred in 1987, and not during the years 1982-1989.
